

**OUTREACH CELL, IIT ROORKEE IS GLAD TO
ANNOUNCE ITS FIRST EVER EDITION OF**

GAMBITOR

**A NATIONAL-LEVEL SCHOOL CHAMPIONSHIP
(FOR STUDENTS OF CLASS 9-12)**

INTRODUCTION

IIT Roorkee is glad to announce the first edition of GambitoR - the National School Championship where only creative thinking and quick wit can guide you to victory.

Test yourselves against a comprehensive exam designed by our student community, that will call into question your logical and analytical skills.

Compete with the best minds of the nation and win a chance to visit a major scientific & technical institute and a free pass to the subsequent round which will be held in the premises of IIT Roorkee.

Are you brave enough to take up the challenge?

If you are ready for the challenge then lets look into what lies ahead

The exam is going to be conducted in TWO ROUNDS

1st Round - INCEPTION ROUND

For the first round of the GambitoR, battle it out with your peers online. Wrestle a 2 hours question paper consisting of math, puzzles, code crunchers etc, and put your logical and thinking skills up for a challenge.

The top 15 students each from the 9th & 10th and 11th grade category and top 20 students from 12th grade category will get to visit IIT Roorkee for the second round, 'Pinnacle' and win exciting gifts and certificates.

2nd Round - PINNACLE ROUND

Once you've made it through, an exciting visit to the IITR campus awaits you. Add to that the excitement of the various technical events for the second round. Push your limits, gauge your potential and have fun while exploring and interacting in and around the campus.

The top performers of the events will be awarded with cash prizes and certificates of excellence.

CATEGORIES

The competition will be conducted in three different categories, Metiox, Apollox and Athenox.

Metiox- For the students of class 9 & 10

Apollox - For the students of class 11

Athenox- For the students of class 12

REGISTRATION

The registration for the GambitoR will be completely **online**(through **GambitoR website**) and absolutely **free of cost**.

Individual registrations are going to start very soon, so stay tuned for further updates.

DATE & VENUE

GambitoR is a **two-stage** competition for Metiox, Apollox and Athenox.

The **Inception round** will be conducted through **online mode** on **5th of February** nationwide.

The top performers in the Inception round will be invited to the campus of IIT Roorkee in the **March/April** for the Pinnacle round.

They will get to participate in various competitions as well as experience the beauty, charm and historical significance that crowns the campus of IIT Roorkee.

SYLLABUS

The beauty of GambitoR lies in the fact that it requires no skimming through a hundred page book trying to memorize boring or unnecessary stuff. Crazy right? It only requires you to explore your logical thinking and puzzle solving skills, perhaps some basic knowledge in Physics, Chemistry and Mathematics to make things even more engaging and spectacular.

Metiox - Aptitude & logical reasoning

Apollox- Aptitude & logical reasoning, general Mathematics

Athenox- Aptitude & logical reasoning, complete 11th Physics, Chemistry & Mathematics portion

Languages: English

PRIZES

Winners of each category will be awarded as specified below:

Topper/Winner

Cash Prize + Visit to a major Science & Technology Institute

1st & 2nd runner up

Cash Prize

There are many more exciting prizes to be won along with it. Participate and find out for yourself!

All participants will receive a certificate of participation for being part of GambitoR.
